

Ace Speedway

3401 Altamahaw Race Track Road, Elon, NC 27244

We are giving you directions to avoid going downtown Burlington to save you a lot of time. If you are coming from South of Interstate 85/40 follow those directions, that are above. If you are coming from North of Interstate 85/40 follow these directions. I have put the total distance because so many people have asked.

From Highway 49: (From 49 split to Ace is about 13 miles).

Curve to the left to stay on 49. Hwy 62 stays straight.

At the stop sign, turn left on Hwy 49 South.

Turn right on Jefferies Cross Rd, I think it is the 1st paved road. Sign for church across the road.

At 1st stop sign keep straight on Jefferies Cross.

At 2nd stop sign keep straight. Road name changes to Altamahaw-Union Ridge Rd.

At 3rd stop sign keep straight on Altamahaw- Union Ridge Rd.

Watch for the speed limit to decrease to 35mph. AFTER SECOND TIME IT DECREASES. At the 1st crossroads, turn right on Altamahaw Church St. Across from Altamahaw Baptist Church.

Turn right on Altamahaw- Race Track Rd. There is a sign for Ace Speedway.

Just past the white fence, turn right on Ace Speedway Drive.

Take the first left- sign says for Pits.

When the road ends, the track is on your left. This will be the starting line end.

You will have to park in the grass areas to the left before track. There is no room to park beside the track.
