Debbie's Thoughts:

Let me start out by apologizing for being slack this year. I forgot to put that Providence was confirmed, until last week. It was confirmed the first of April. I announced it at Halifax's pull April 13th. Forgot to put it on the website & Facebook. I also made a few mistakes on the schedule. Think I have them all corrected now. Wish someone had told me. Please let me know if I have posted something wrong. I also didn't have many hats or t shirts. I forgot to order them until 3 weeks ago. All the ball teams beat me to the printers. Will have some at our next pull. And lastly, I haven't scheduled us any more pulls yet. This year has been crazy for me. Gotten a lot better in last 2 weeks. Am working on more pull dates. Will post them ASAP.

Good to see everyone. Haven't seen a lot of you since November. I missed most of you. (Just kidding).

Thanks for coming to help us support the Providence Fire Department. It was a very smooth pull. Looked like all of you remembered the new running order.

I can't say it enough, we appreciate all our hard workers. Some of our regulars couldn't make it. Thanks to the everyone that stepped up and helped out. Hope to see everyone at Halifax's pull, Saturday May 4th at 1:00 pm.
